

Dear Store Manager at _____

I discovered Surf Sweet's great tasting line of natural and organic gummy candy and jelly beans and would like you to carry their products.

Here's Why You Should Stock Surf Sweets

- Made with organic fruit juice and sweeteners
- Made with natural colors and flavors
- Contains 100% of your daily vitamin C
- One of the only candies made without corn syrup and it's GMO free
- Made in a nut free facility
- It's gluten free

Fun Variety of Products

Surf Sweets offers six different products:

- Gummy Bears
- Gummy Worms
- Jelly Beans (Vegetarian)
- Fruity Bears (Vegan)
- Gummy Swirls (Vegan)
- Super Sour Worms (Vegan)

Please Carry Them So I Can Buy Them

You can see their entire line at www.surfsweets.com and their products are available through most major natural food distributors, including United Natural Foods. You can request products samples and get additional information by contacting them at info@surfsweets.com or 224-676-1070. Thank you for making the time to hear my request.

From a Surf Sweets fan,
